We Help To Keep The Fun Going!

Your Desert Recreation District (DRD) works closely with the communities that we serve to reduce program and activity fees for residents who cannot afford to participate. Our goal is for no child or adult to be left out of the recreational, sports and out-of-school activities we offer because of limited income.

Thanks to the Desert Recreation Foundation

The DRD Financial Assistance Program is made possible through the dedication and support of the Desert Recreation Foundation.

The District appreciates the Foundation's ongoing fundraising

efforts and donations, which enable us to offer qualifying individuals and families financial assistance to cover part of our recreation fees.

Qualification is based on the HUD 2020 State Income Limits

If your income is:

Extremely Low

You may receive 75% off the cost of activities, up to \$150 maximum in financial assistance per family member per fiscal year.
