## Thermal Park Design and Construction Project

Thermal Community Park is well into the construction phase, with land leveling and groundwork actively progressing. This much needed community space will feature two multisport fields, a multisport court, a splash pad, play structures, walking paths, a picnic area, a stage for community events, numerous shade structures, restrooms, and so much more, ready to serve the community for generations.

Funded through Prop 68 and key partnerships, along with community input, this transformative project will bring new opportunities for recreation, engagement, and community connection. We look forward to welcoming everyone when the park officially opens in early 2026!

During this season of celebration, we are so grateful for you - our friends, partners, and supporters!

Participants like you tell us every day about how quality parks and recreation have changed their lives. From making new friends, and learning new skills, to improving health, and making cherished memories- Desert Recreation District's parks, community centers, pools and natural areas enhance our communities, our families, and our lives.

The future is bright as Desert Recreation Foundation works behind the scenes to ensure that all residents in the Coachella Valley have barrier-free access to quality recreational resources, facilities, parks, and programs that serve today's needs and those for generations to come. You can make a difference and impact the lives of the residents that need it most, by supporting programs, services, or parks that you are most passionate about!

### **Your Support Makes It Possible!**

- \$150 provides a school-age child one month of crucial homework support in a safe after-school program, ensuring they continuously thrive.
- \$250 empowers an individual with a disability to fully engage in a year-long adaptive sports and therapeutic recreation membership, where they can find fulfillment through unique experiences tailored to their needs and cultivate a deep sense of belonging within a supportive community.
- \$250 provides a young gymnast with an opportunity to participate in USA Gymnastics level meets for one month, nurturing their passion and dedication to the sport and opening new doors to their dreams.
- \$300 supports underserved individuals in connecting to nature through Outdoor Adventure Programs such as mountain biking along scenic routes and exploring the beautiful California coast, creating unforgettable life-time memories they might not otherwise could experience.
- \$650 brings together up to 100 families for a "Magical movie under the Stars" in the park, creating memories and building community.

Compound your investment by donating monthly in support of safe and accessible sports and recreation opportunities for all!

## OUR MISSION

To enrich and preserve the quality of life for residents. We do this by raising funds and garnering support to purchase, develop, enhance, preserve, promote, and expand the Coachella Valley's recreation activities, programs, parks, properties and facilities.

***Can you imagine a community without parks and recreation? Neither can we!***

We believe parks and recreation should be available to everyone in our communities no matter their income or ability.

## FINANCIAL ASSISTANCE PROGRAM

Desert Recreation Foundation programs, activities and events are open to everyone. Your Desert Recreation Foundation works closely with communities that we serve to reduce program and activity fees for residents who cannot afford to participate. Our goal is for no child or adult to be left out of the recreational, sports and out-of-school activities we offer because of limited income.

The Desert Recreation Foundation (the Foundation) is a 501(c)(3) non-profit organization responsible for raising funds on behalf of Desert Recreation District.

Since 2001, Desert Recreation Foundation has been working behind the scenes of Desert Recreation District to enrich and preserve the quality of life for residents by raising funds and garnering support to purchase, develop, enhance, preserve, promote, and expand the Coachella Valley's recreational activities, program, parks, properties, and facilities. We believe parks, recreation opportunities, and learning programs should be available to everyone in our community, no matter their income level or ability. We make that a reality and can do so much more with your help!

***Everyone deserves access to quality parks and recreation facilities! Your Support Makes It Possible!***
