**2020 Decennial Census – To Review and Consider the Voting District Boundaries
for the Desert Recreation District’s Board of Directors**

NOTICE IS HEREBY GIVEN that the Desert Recreation District will hold a Public Hearing on Wednesday, October 13 and Wednesday, October 27 at 6:00 p.m. at the Indio Community Center located at 45-871 Clinton Street, Indio, California to review and consider whether its voting district boundaries for the Board of Director’s should be revised based upon information from the 2020 census and consider hearing comments from the public on the proposed changes to the District Directorial Division Boundaries Map.

Per Elections Code Section 22000, Special Districts with elected Board of Directors (Board) from divisions or districts are required to review and, if necessary, adjust division boundaries to equalize the population of each district following a decennial census while staying in compliance with Section 1973 of Title 42 of the United States Code. The Desert Recreation District has to complete any realignment of the Division boundaries and hold two public meetings prior to adoption, by resolution, of the realignment map.

After those public meetings, on October 27, 2021, the Desert Recreation District will adopt, by resolution, the 2021 District Directorial Division Boundaries Map. After review of the applicable criteria, that map does not propose changes in the Desert Recreation District boundaries. The proposed map is available for inspection at the below-mentioned location and/or on the Desert Recreation District website www.myrecreationdistrict.com.

Any person wishing to be heard regarding the 2021 District Directorial Division Boundaries Map may attend and speak at the public hearing or may submit written comments prior to or at the time of the meeting to the attention of Delia Granados, District Clerk, 45-305 Oasis Street, Indio, CA 92201, (760) 347-3484 ext. 106 or email dgranados@drd.us.com. Oral testimony will be heard at the time of the hearing in support of or opposition to the 2021 District Directorial Division Boundaries Map.
